REBEL SENIORS — Three Seniors who played key roles in Telstar's State Class "C" Baseball Championship are from left to right, Randy Olson, Wayne Cummings and Peter Blake.

TELSTAR IS CLASS "C" STATE BASEBALL WINNER — DEFEAT SUMNER HIGH, 3-0

Pete Blake hurled a one-hit shut-out as the Telstar Rebels defeated host Sumner High of East Sullivan, 3-0, for the State Class C baseball title last Saturday afternoon.

The only hit off Blake was Don Smith's broken bat single in the fifth which dropped into left just out of the shortstop's reach.

It was the 20th victory for the unbeaten Rebels and the first state baseball title in the six-year history of the school.

Telstar wrapped up the contest in the first inning. Levi Brown drew a walk with one away and rode home on Blake's triple, the only extra base hit of the tilt. Wayne Cummings grounded out to short with Blake scoring.

The Rebels picked up their other run in the sixth, loading the bases on singles by Cummings and Randy Olson plus a hit batsman, Alan Seames. Malcolm Bennett singled to right scoring Cummings but a fine throw from Dale Pung to catcher Howie Page cut Olson down at the plate.

Blake, a 5-10, 160 pound senior right-hander, compiled some amazing statistics during the Rebels' playoff games leading to the title. Blake appeared in three of the four tilts, winning all three, including a no-hit, no-run masterpiece against Massachusetts High for the Western Maine crown.

During this span Blake worked 18 innings, gave up only one hit, no runs, struck out 30 and walked nine. Telstar, under the guidance of six-year mentor, Pete Brown, won the Mountain Valley Conference to gain a berth in the state playoffs.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

The bicycle safety clinic to be held June 15 is free of charge.

A law became effective a short time ago which forces municipalities to pay minimum wages plus overtime after 40 hours to highway employees. We were paying more than the minimum, therefore that portion of the bill did not effect us but the town had not been paying time and a half. The Highway Dept. has worked a 45 hour week for many years during the summer months. When it was necessary they worked a 54 hour week. In view of the fact the extra funds were not requested, it was decided the men would continue to work 45 hours until it was felt the work load would permit them to shorten their work week. The greatest impact will develop during the winter as there cannot be the control exerted then due to weather conditions.

In excess of 60 families from Bethel were certified for Food Stamps when the staff from the Dept. of Health and Welfare were in town last week. It is hoped the program can be started before the Donated Commodities Program ceases. We have over 100 people receiving commodities each month who will, for the most part, miss the additional supplies the program provides.

C. OF C. AWARDS DINNER AT BETHEL INN JUNE 18

The Annual Greater Bethel Chamber of Commerce Citizenship Awards dinner will be Tuesday, June 18, at the Bethel Inn. Reservations may be made by calling the Inn. Awards will be presented by Edmond Vachon, Margaret Joy Tibbets, Helen C. Berry and Chamber president, Robert Crane. WCSH weatherman and Maine humorist Lew Colby will be the guest speaker.

MOSES MASON HOUSE PREVIEW LAST THURSDAY

The Moses Mason House opened for its preview on Thursday, June 6, and well over 100 interested townspeople attended. The general reaction was commendation for progress made to date and enthusiasm for the Museum's potential as a viable and ever-developing institution to which Bethel residents will always be able to point with pride.

Not on exhibit on that occasion but one of the most historically valuable donations so far, is the handmade candlewick coverlet given by Mrs. Richard Harding. It was made for the wedding of John and Eunice Munn in 1819 and the names and date are woven into the material. John and Eunice were the great-grandparents of Mrs. Harding (nee Frances Stanley) and she has given the coverlet in memory of her father, Carroll M. Stanley. It will certainly be an important part of the permanent exhibit when the Moses Mason house is open to the general public later this summer.

Albert Brown of Rumford Center has donated a spool crib made in Walker's Mills. It is in excellent condition and will make a fine addition to one of the bedrooms. He has also given an 1874 Centennial Booklet. Both items are in memory of his father and mother, Harry and Grace Brown.

Many needed items have been donated during the past week, some small in size but none small in value, as follows: Alton Hutchinson, three milk pans, four sugar molds, one small iron kettle and one stone jar; Mrs. Eva Yates, two featherbeds, a razor hone, one ladderback chair; Mr. and Mrs. Clayton Blake, one Diamond Thumbprint toothpick holder; Mr. and Mrs. Philip Chabourne, one cheese press; Mrs. Beatrice Conrad, two milk pans, one ironstone egg cup, one ironstone bowl, one chopping knife which had been through the 1812 fire in Portland, one kitchen knife and fork set, one odd shaped horseshoe, one handmade butcher knife, two letter holders and one copper luster pitcher; Mrs. Lillian Bartlett, one featherbed; Mrs. Evelyn Nickerson, one round Bemberg tea cloth; Mr. and Mrs. Wendell Brewster, two milk pans; Mrs. Doris Lord, one cheese basket and one featherbed; Mrs. Robert Sanborn, one grey campaign high hat, one pair Benjamin Franklin eyeglasses, and two 2 tined bone handled forks and one matching knife. An item of particular mention is a pressed glass set of sugar, creamer and spoonholder. Festoon

SCHOLARSHIPS OFFERED AREA RESIDENTS FOR NTL'S BASIC SUMMER PROGRAMS

NTL Institute announces the continuation of its policy of the past several years to offer full tuition scholarships to residents of Bethel and the surrounding area who wish to attend the NTL basic summer programs. Only the registration fee is payable. Two such scholarships are available on a first come, first served basis for each of the Basic Human Interaction Labs.

Remaining programs scheduled this summer are at the following times: June 24-July 5, July 8-19, July 22-Aug. 2, Aug. 5-16, and Aug. 19-30.

Also offered will be programs specifically designed for Children and Teenagers. These programs will be held between June 24 and Aug. 16. As in the past, NTL invites local youngsters to take part, with special rates available for Children and Teens of Bethel and the surrounding area.

Applications for all programs may be obtained from the NTL office in Bingham Gym. The "standby" basis for adult applications means that enrollment is confirmed only a few days before the actual dates involved, and is contingent upon space being available in the program at the desired time.

MRS. DAVIS PRESENTS AWARD AT RUMFORD

At the fourth annual banquet of the Vocational Club of Rumford High School held recently at the school cafeteria, Mrs. Stanley Davis presented the "outstanding achievement award" in the building trades to Mark York, Rumford High School senior. The award is given annually in memory of the late Stanley Davis, who was head of the Vocational Department of the high school for several years.

Mr. Davis conducted the preliminary research and organization which resulted in the creation of the Northern Oxford County Vocational Education program (NOVA) currently in the final stages of organization and planning under the direction of William H. Dunton.

NOVA will assume responsibility for the continuation of a presently existing Cooperative Education Program at Telstar Regional High School.

pattern, made by the Portland Glass Co., also given by Mr. and Mrs. Clayton Blake.

The Bethel Citizen and the Bethel Historical Society are cooperating on a special edition to be published at the time of dedication of the Moses Mason House. It will contain a business directory for Bethel. If you are in business in the town and have not been approached for listing, please call John Willard 824-2749.

TO ATTEND GIRLS' STATE — Miss Regina Croteau, a Junior at Telstar Regional High School will be attending Dirigo Girls State June 16-22 at Husson College in Bangor, sponsored by Jackson Silver Unit, No. 68, American Legion, Locke Mills. She is the second daughter of Mr. and Mrs. Robert Croteau of Bryant Pond to be so honored.

BETHEL VOTERS FAVOR ERWIN AND BRENNAN IN TUESDAY PRIMARY BALLOTING

Approximately 400 Bethel voters exercised their franchise at the Primary Election voting on Tuesday of this week.

Local Democrats favored Joseph Brennan of Portland for governor, as he received 101 votes. Other candidates received: Kelley, 80; LaFountain, 1; Levine, 2; Mitchell, 27. For Second District Congressman, local Democrats gave Markham Gartley 81 votes, and Stewart Smith, 65.

In uncontested Democratic voting, Forrest E. Martin of Norway received 133 votes for State Senator (District 5); Emily Saunders, Bethel, 153 votes for State Representative (District 63); Burton A. MacDonald, 132, for County Treasurer; Olive B. Moore, Register of Deeds (East), 133; Alton L. Howe, Sheriff, 150; Thomas E. Delahanty II, District Attorney, 133; Edward M. Quinn, County Commissioner, 144.

Bethel Republicans favored James S. Erwin for governor with 105 votes, with Richardson getting 92. Sprout 1, and Tanous 15. Unopposed in the Congressional race, William S. Cohen received 207 votes. In the District State Senate contest, Philip C. Jackson received 101 votes, to 74 for Gordon A. Rideout. J. Jay Willard received 195 votes, running unopposed for the District 63 State House seat. In other voting without opposition, William F. Perkins received 183 votes for County Treasurer; Kathleen F. Merseieu, 169, for Register of Deeds (East); Norman K. Ferguson, Jr., 184 for County Commissioner (District 1).

Bethel voters favored by a 244 to 121 margin the referendum question creating the Maine Inland Fisheries and Game Acquisition Fund and the issuing of a \$4,000,000 bond issue to finance it.

In the Second Congressional District Gartley was the successful Democratic candidate, and Mitchell received his party's nomination in the gubernatorial race over Brennan.

On the Republican side, James Erwin is the apparent gubernatorial candidate over Harrison Richardson in a close race. In the State Senate (District 5) contest Jackson is the apparent winner over Rideout.

The State's voters also approved the referendum question.

RED CROSS SWIMMING CLASSES SCHEDULED

The first day of Red Cross Swimming classes, June 17, will be open for sign up for those who might not have received applications and are still interested in participating.

The following is a tentative schedule: June 17-12, Monday through Friday.

Advanced swimmers, 9:30-10:00

Swimmers, 10:10-30

Advanced Beginners, 10:30-11:00

and 11:00-11:30 (2 classes)

Beginners, 11:30-12 and 1:00-1:30 (2 classes)

Intermediates, 1:30-2:00

There were not enough applicants to make up a Junior Life Saving Class so it is suggested that those students take advanced swimming this year, with the hope that there will be a larger class next year. This will allow time this summer for a class of 6-7 year olds at 2 o'clock. They also may register on the first day of classes.

BETHEL DEMOCRATIC COMMITTEE TO MEET JUNE 17

There will be a meeting of the Bethel Democratic Committee at the Newells — Corner of Church and Park Streets on Monday, June 17 at 7:30 p.m. Members of the town committee should plan to be there and others interested are welcome to attend. For transportation questions call Paul McGuire at 824-2265.

TELSTAR GIRLS' TRACK TEAM THIRD IN STATE "B" EVENT

The Telstar girls track team participated in the Girls State Track Meet Saturday, June 8, at Orono. Telstar finished in third place out of 19 Class "B" schools participating.

Miss Sheri Learned

Sheri Learned was the outstanding member of the Telstar team, with a first place in the shot put with a new meet record of 34 ft. 4 1/4 in. Sheri also took second in the javelin and fourth in the discus. Judy Hakala finished in second place in the 80 yard hurdles with a time of 1:28. Pierrette Lamontagne cleared 4 ft. 9 in. to earn her a third place in the high jump. Carol Frazier took a fourth in the 880 with a time of 2:34.9. Martha Gauthier was fourth in the 100 yard dash with 12.7. Sylvie Lamontagne was fourth in the mile with 5:56.5. Both Telstar relay teams took 5th places. The 440 relay team consisted of Ellen Clark, Pierrette Lamontagne, Carol Frazier, and Sherry Akers. They completed the race in a time of 56.4. The 880 Medley Team took fifth also with a time of 2:07.2. Members of that team were Martha Gauthier, Suzanne McInnis, Malinda Brown, and Kathy Morey.

All girls who went came back with a medal. In all the team returned with 16 medals.

The team was accompanied by Miss Gayle Demers, who was acting coach because of the absence of the regular coach, Ms. Kathy Dunham. John Applin also helped with the team along with Robin Doon, team manager, and Miss Ellen Dombkowski.

GREENWOOD CITY

— Mrs. Collista Morgan, Corres. —

Softly the warm summer morn dawned. From hither and yon came the bird songs. I smelled the extraordinary sweetness on the light breeze and traced the delicious fragrance to apple and cherry blossoms.

There is something about early morning which is enchanting; it is so quiet, so new. The sun had not yet come into view. A delicate haze lay upon the pond. As I walked my driveway before breakfast a charm of goldfinches which resembled a flock of big yellow butterflies came to rest on the black-top ahead of me.

This was a day to go boating. I did that afternoon, leaving about 1:15.

The shores were alive with activity: birds, turtles, water snakes, water bugs, a coon, a muskrat, a blue heron, a pair of wood ducks, and some times a fish at the end of my fish pole. I became interested in the pair of lovely wood ducks on the shore near a duck house. They seemed to float as lightly as drifting leaves. What a picture they made, as, intent on one another, they glided along close together, she clothed in modest hues, he glowing and resplendent.

I sat concealed beneath the alders as he glided proudly, his head ruffled, his plumes flashing with metallic lustre as the sun's rays sifted through the foliage intercepting his course. They talked in low sweet tones then finally disappeared into the shadows at the turn of the inlet. Such a picture no pen can describe adequately.

Turning my boat to go on my way I noticed that the little cove was alive with painted mud turtles. I counted eight there and saw more later.

On the many boat trips that I have taken I have seldom seen any snakes but this time I saw four. A raccoon was busy at a flat shore surface. He was deftly sorting something and dipping into the water. Evidently he makes no distinction between muddy and clear water. He is a ring-tailed bear-faced rascal, the forest highwayman. Behind his black mask this animal rogue was unmasked by me.

The breeze was right for drifting, fishing, dreaming. Beyond rose the hills blanketed in greens. The waters winked and glistened.

One cannot look anywhere without beholding that intimate mingling of waters and forests which gives Maine scenery its lasting charm.

I took other boat trips this week and Ruth, after so long a time, came to hike to the old blue hedge in the top farm fields. They nearly always mark the place of a vanished house. These must have been there for generations. They are late this year for they have had to hunch against cold nights, then stretch and test the air on warm days only to huddle against the chill again in the evening. Right now they are beautiful. Few flowers are as fragrant. Their place is out of doors for no one can make an indoor bouquet half as lovely as a blue bush in bloom.

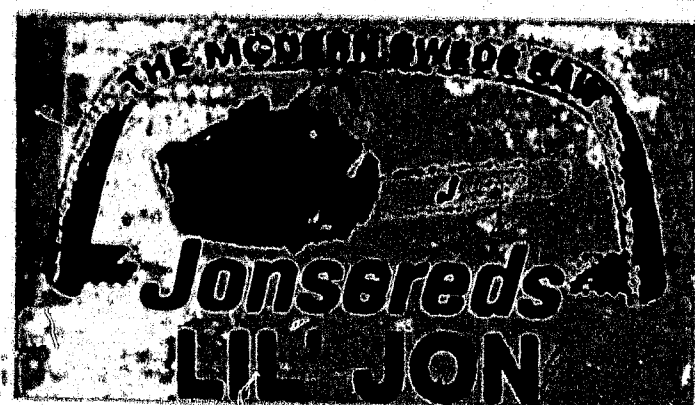

But my most thrilling sight this week happened one afternoon when I went to the clothes line and just

beyond I saw on a rock mother red squirrel nursing three babies. Such cute bundles of fur! I went for my camera but of course they didn't stay. I followed them to the wall and even though they were unafraid I couldn't get them all together again. I did discover that their home was an old bird house above the wall.

So with my many friends and the perfect weather I have enjoyed a wonderful week.

MRS. BROWN'S STUDENTS PRESENT RECITAL

Piano students of Mrs. Donald Brown presented a recital Friday evening, June 7. The program included solos, duets, and two piano numbers from classic to pop music. Outstanding achievement awards were given to Sharon Daye, Kassi Salway, Nancy Slowell, and Betsy Davis. Suzanne Seames received the award for winning the last six weeks contest.

Mrs. Brown was presented flowers and gifts from the group.

Those taking part in the program were: Karen Brooks, Ellen Clark, Betsy Davis, Sharon Daye, Julie Daye, Many Dombkowski, Bruce Greenleaf, Douglass Greenleaf, Jennifer Hudson, Patricia Hudson, Peter Keniston, Marc Packard, Kassi Salway, Suzanne Seames, Nancy Slowell, and Arlene Walker.

LETTER TO THE EDITOR

To the Editor:

I would like to inform the people of the town of Bethel some of the facts about the so-called Hogdon Road leading to and across Danny Long's property in East Bethel.

1. The town was asked to accept the road in 1840. It was accepted in 1841.

2. The road was found on maps of 1858 and also 1880.

3. An eye witness watched the town maintain the road in 1909.

4. It was brought up for discontinuance in 1937 and was turned down.

5. In 1945, a neighboring farmer was asked by the town road commissioner to cut and yard hemlock stringers from his own land so bridge repairs could be performed on the road. This man delivered new stringers to bridge site and was paid by the town for the timber.

6. In the 1950's, the town again fixed bridges and hauled in gravel for the road.

In the 50's, 60's, and again in 1973, the town has furnished plank for this road.

The county commissioners are in the process of laying out lost and doubtful boundaries of the Hogdon Road. This is not a new road, but the boundaries of an existing road.

This road has been found to be in existence for the last 133 years. It is the closest and most practicable way of reaching a forest fire on that part of the mountain on the East Bethel side within two or three miles. Water can be pumped year round up the mountain from fire fighting equipment from the road itself.

(Name withheld by request)

South Paris, Maine
To the Editor:
The County Commissioners of Oxford County want to set the record straight in regard to erroneous and slanted remarks in the May 23 and June 6, "Comments from the Town Manager's Office".

The facts are as follows:
1. The County Commissioners were petitioned on Sept. 25, 1973, by Mr. Danny Long to investigate what he considered undue delay (4 months) by the Selectmen of Bethel in giving him a definite answer as to when the town would repair the road to his property.

2. On Oct. 9, 1973, the Commissioners were petitioned by the Town of Bethel, by Mr. Elwyn N. Dickey for the Board of Selectmen, as authorized 10-5-73. The Town petitioned the County Commissioners to act under Title 23, Sec. 2101 R. S. State of Maine. Section 2101 deals with lost or doubtful boundaries. The authority that the County Commissioners have under this statute are well defined. The Selectmen felt that they had responsibilities in regard to Mr. Long's road but did not know where the boundaries were; hence, the petition to us.

After receiving the two requests for assistance, we had a public meeting on Nov. 17, 1973, at 1:30 p. m. in the Town Office at Bethel. Considerable discussion transpired, and it was hoped by the Commissioners that the problem was resolved.

TELSTAR ATHLETIC BOOSTERS CLUB
June 12, 1974
A Telstar Athletic Boosters Club has been re-organized and we are in great need of new members. We realize this is a busy time of year and school is not in your thoughts during the summer months but we have several fund raising projects planned and we need your support. The purpose of the Club is to encourage the young people of the Telstar School District in their athletic endeavors, with the belief that participation in athletics helps to develop youngsters' character, maturity and opportunity for further education.

There are several goals that we would like to see realized within the next few years for both girls and boys teams such as new equipment for the Junior High, J. V. and Varsity teams. Each year more and more students are becoming involved in the various sports activities and there is not enough equipment to outfit all the potential athletes. An active Club with a large membership can accomplish many goals but it can't be done by a few.

Support your Athletic Boosters Club by filling out the application form below and returning same along with \$1.00 per family dues to: Eleanor Brooks, Bethel, Maine; Shirley Olson, Bethel, Maine; or Alberta Merrill, Bethel, Maine.

FARM TEAM BASEBALL SCHEDULE
June 18, Rumford Point; June 25, Bryant Pond; July 2, Greenwood; July 9, West Paris; July 15, Bryant Pond; July 23, Andover; July 30, Rumford Point. "—equals away game."

Home games start at 6:15 p. m. Players are expected to be at the field at 5:45. For away games cars will leave the IGA parking lot at 5:30.

Anyone with Farm Team shirts from previous years are asked to turn them in to Mike O'Donnell or Burnie Rice, as more shirts are needed.

Because there are over 40 boys on the one Farm Team, there is a desperate need of more coaching. Anyone interested in helping in any way please contact Mike O'Donnell or Burnie Rice.

ed. However we did not at this time close the door to subsequent action. The problem was not resolved and early this past spring (May 11, 1974), it became necessary to call another public meeting.

The County Commissioners armed with two public meetings, and the services of a registered land surveyor came to the following conclusion: The road leading to Mr. Long's property is a townway and has been since 1841. We could not find any evidence that this road had been discontinued. In fact, in 1937 the article pertaining to this road was passed over.

We then established the boundaries of this road by the present traveled way. The Commissioners voted the boundaries to be 1 1/2 rods on each side of the center of the traveled portion. The road will extend from the main road to the back of Mr. Long's property.

The Commissioners want to make the following points:

1. We are not laying out a road across Donald Holt's land. The road was laid out in 1841; we are merely establishing the boundaries as requested by Officials of the Town of Bethel.

2. The condition of this road is the responsibility of the Selectmen of Bethel; however, it must be maintained in a passable state.

3. We acted judiciously and strictly on the facts.

ORGAN CONCERT AT WEST PARISH CHURCH SUNDAY EVENING, JUNE 16

There will be an organ concert at the West Parish Congregational Church, Bethel, on Sunday evening, June 16 at 7:30, by Douglas Rafter, A.A.G.O.

Mr. Rafter is currently organist at Immanuel Baptist Church, and formerly staff organist at Steinert Hall, Boston, Mass. He is a member of the American Guild of Organists.

If you enjoy music why not attend and hear him play the new Allen Organ. All are welcome to this free evening of music.

TELSTAR'S "CHEMIST OF THE YEAR" — Wilfred Gibson of Bethel is shown with a variety of crystals he grew this year. Wilfred, enrolled in the Chem-Study chemistry course, received this year's Balfor's Chemistry Medal for his outstanding work. Probably the only student to convert his bedroom into a laboratory, Wilfred has performed many independent projects this year. The crystals he is displaying were grown from saturated solutions in which he suspended a "seed" crystal around which the larger crystal grows. Some required several days to grow to their present size.

Mrs. Amy Davis, Betsy and Mike, attended the Spring Concert at the Salmon Falls School in Hollis last Thursday, which was presented by Thomas Davis.

Now, \$ Casco's New "Nestegg Savings" Option makes "Money-Manager" Even Better

"Money-Manager", the package money management plan from Casco, is already probably their single most successful combination of services. It gives you free checking with no minimum balance, an account for temporary savings and a loan account that lets you borrow at about half the cost of what many banks would charge.

When you add Casco's new "Nestegg Savings" option, "Money-Manager" becomes even more attractive than before. It allows you to finally build a more permanent savings nestegg, hopefully paying you more interest in the process, and guarantees to reduce even further "Money-Manager's" already amazingly low finance charge.

Come into any office of the bank that's always thinking and pick up a folder that gives you all the details. Find out if you qualify from an income and credit standpoint for Casco's new "Money-Manager plus Nestegg Savings". It could make a lot of sense for you.

We're always thinking...

unbelievable?

The Best Way To Save Energy
Is By Calling Your Oil Dealer.

Unbelievable or not, the fact is, we can do a great deal to save energy, and in the process save you money.

FACT: oil heat directly fired saves 3 times the oil it takes to generate the same heat by electricity or any other indirect energy source.

FACT: most oil burners could use a quick inexpensive tune up that could save you 20% or more each year. Like all appliances, your oil furnace needs a little maintenance to run more efficiently. It will run cleaner too.

FACT: Our company wants to do all we can to save you money. Give us a call, we will be glad to show you how to use less of a good thing.

SO. MAINE COMMON CAUSE

FORMS STEERING COMMITTEE
Ernest M. Gore, of Portland, has been named Steering Committee Coordinator for Common Cause of Southern Maine.

As the newly selected Coordinator, Mr. Gore appointed the following people to positions on the Steering Committee: Michael C. Kallan, Cape Elizabeth—Speakers Bureau; Albert C. Boothby, Ocean Park—Issues; Leslie Cohen, Cape Elizabeth—Membership; Martha W. Shur, Scarborough—Media and Publicity; Mrs. Charles F. Keegan, Yarmouth—Telephone Network.

Common Cause, founded by John Gardiner as a citizen's lobby in 1970, has approximately 300,000 members throughout the United States, and over 1200 members in Maine. Anyone wishing to become a member or participate in Southern Maine Common Cause, please contact Mrs. Keegan at 846-5064. The next Steering Committee meeting is scheduled for June 23, 1974.

OUTSTANDING ATHLETE at Telstar Regional High School is senior Peter Blake who was presented his final letter at the athletic banquet last week. During his four years of interscholastic competition Blake has earned the maximum of 12 varsity letters. The highlight of his career came this year when he co-captained and quarterbacked the football team to its second successive state title, set several season and single game records on the basketball court and was named by his teammates, the outstanding baseball player on his state championship team.

TO TOUR—Dean Walker, son of Mrs. Donald Walker of Bethel, who is a member of the Manchester (N. H.) Muchachos Drum and Bugle Corp. will be touring with the 80 member group as they enter competition in various New England areas throughout the summer. They also plan to enter the World Open Competition in Massachusetts this year. Dean was recently named to the Dean's List for the spring semester at U. of N. H., Durham, where he will be a junior this fall. He has summer employment at the college poultry farm.

Phillip C. Faudi recently enjoyed a ten day train trip to New York, Chicago, Altoona, Pa., and Omaha, Neb.

Mr. and Mrs. Thomas Davis spent Friday night at the home of his mother, Mrs. Amy Davis. While here they attended the piano recital presented by Mrs. Arlene Brown Friday evening, in which Betsy Davis took part.

SENIOR CITIZENS

The Senior Citizens met June 11 in the Congregational Church dining hall for a regular monthly meeting. It was opened by President Sarah Stevens. The Lord's Prayer given by all.

It was voted to have a mystery package at each meeting. Alice McAllister will furnish the first. Also a white elephant table will be a feature for our July meeting. Members are asked to bring an article for this occasion. A food table was suggested at some future date.

An invitation to attend Sue Farrah's Music Recital at Telstar was extended to the senior citizens for June 12.

Ann Henderson, a county officer, invited the senior citizens to Summer, to a meeting June 25 at 1:30 p. m. at the Grange Hall.

Birthday observances were Grace Buck, Elizabeth Glines, Doris Lord and Cora Bennett. Unable to be with us were Ella Grover and Gertrude Boyker.

Four new members were welcomed as senior citizens, Dorothy and Angelo Onofrio, Gladys Bartlett and Abbie Valley.

Sunshine chairman, Cora Bennett, reported good well cards to Marjorie Billings, Edith Thurston, Minnie Richardson, Bertha Wheeler, Adeleine Dexter and Joe Perry.

There were 65 members and guests seated at the tables. Carroll Valentine gave the blessing. The Mt. Abram Fish & Game Society served a delicious smorgasbord style lunch. Ruth Dorion furnished the cake.

At the head table were President Sarah Stevens, Dr. and Mrs. John Hankens of Oxford and Mrs. Marion Marror of Hillfax, Mass., plus those who observe their birthdays in June.

Following the luncheon Mrs. Hankens gave a talk on Holland and said their people had a very warm feeling for the U. S. A. Had it not been for us Holland could not have been rebuilt following W. W. II. Dr. Hankens showed a film of Holland, narrated by his wife and Nellie, which was enjoyed by all. The next meeting will be July 9 at Newry Grange Hall.
